**PIKES PEAK
ROAD RUNNERS**

FLASH!! GENERAL MEETING

A general membership meeting will be held Thursday, Nov. 16, 1978, at 7:00PM in the multi-purpose room at the 'Y'. There will be several events of interest at this meeting. The first hour (7-8PM) will be a talk on stretching by Bob Anderson, author of the book on same. This will be followed by a brief business meeting (if we can believe Carl), recapping the past year and outlining our race plans for next year. This will be your last chance to give input on what you want, since we intend to stick to our plans next year. After the business meeting, we will see the movie of the 1977 New York City Marathon (1978 movie is not out yet). Plan to be there, since it should be interesting and enlightening.

TURKEY RUN

No, the prizes are turkeys, not the runners. The club is holding its annual Turkey Predict Run on Saturday, Nov. 18, at 9:00AM in Monument Valley Park. The distance will be 5000 meters. The object is to predict how long it will take you to run the 5 kilometers. **NO WATCHES!** Prizes of a turkey will be awarded to the three closest predictors. If you have any other questions, contact Linda or Dave Blue at 475-8390. Oh yes, its free!

HATS FOR LAST SERIES

The hats to be awarded for running in 3 of the 4 races in the last series have not arrived yet. They are expected within the next two weeks, and will be distributed through the Runner's Roost. When they arrive, an announcement will be put in the newspaper (Gazette Telegraph). So be patient, and keep your earmuffs handy til then.

INCENTIVE PROGRAM

The club is starting an incentive program to encourage more people to help organize and stage our races. Details will be explained at the general meeting, and summarized in the next newsletter. The awards are pretty nice, and most races are not that difficult to stage with the vast store of expertise which the club leadership now has, so look into it.

MEMBERSHIP RENEWAL

Yes its that time of year again. Membership renewal will be available at the general meeting, and in the next newsletter. Remember the new family membership which saves money. Don't wait too long, or you might get dropped from the roster.

NEWSLETTER

As noted last newsletter, you have a new editor. As you may note, this is a fairly small newsletter this month. This is partly because I have a short deadline, and partly because nobody gives us anything to print. If you don't send me stuff to put in, you will just have to read my classic prose, and suffer without complaint. My home phone is 598-9719, and work phone is 599-1602. And if you lost the last newsletter, Bob Royse is my name.
